Date: Wednesday August 23, 2023

Dear Parent/Guardian,

Re: End of Term II 2023 Circular

Greetings from the Management, Staff and Children of Kampala Kindergarten Association (KKA). We thank the Almighty God for enabling us to safely complete Term II 2023 today, Wednesday 23rd August, 2023.

Our dear parents and guardians, we congratulate and thank you for your continued support in all the school programmes. As we break off for the holidays, we wish to communicate the following to you:

1. End of Term II 2023

a. Children's Progress Reports

Every child has been given an End of term II Progress Report. Please study your child's report carefully and if there are any issues of concern, kindly approach the Class Teacher, Deputy Head Teacher or Head Teacher for clarity. I also request you to address the teacher's recommendations/concerns indicated in the report for the good of the child.

b. Holiday Motivation Work

All children have been given Holiday motivation work to help them revise the taught concepts. Please, encourage your child to do the work under the supervision of a responsible person and return it at the beginning of term III 2023 for marking. In addition to that, all children have been given Project Work; you are therefore requested to encourage and guide your child to start working on the project as early as possible in order to complete it in time.

c. Children's Files

Your child's paper-work has been filed in the child's file; you may use it for revision purposes. Parents are requested to off load and return the files at the beginning of next term.

2. Term activities

a. Class photos

The school took Class photos from 19th to 23rd June, 2023 for record purposes. Every child was expected to take 2 copies for home records. Those of you who have not yet picked their copies from the teachers, are requested to do so.

b. Education Trips

As a way of exposing children to a wider environment, the school organized Education trips for all the children to the Uganda Wildlife Education Centre from 26th to 30th June, 2023. We thank parents for the contribution of Ugx 20,000/= towards the entry fees of which every child received 2 copies of the trip photos.

In addition to the general trip, different classes conducted trips to different places in the process of exploring more about their Science topics. This took place from 6th to 14th July, 2023. We thank the KKA drivers who were transporting the children and the teachers who organized and conducted the trips. We believe that the children benefited much from this arrangement.

c. Open week

The school organized an Open week from Monday 17th to Friday 21st July, 2023 with the purpose of giving parents an opportunity of checking on their children's progress. Parents who did not turn up are advised to create sometime early next term to have a physical interaction with the teachers to discuss the child's progress and forge a way forward for further improvement.

d. Science Fair:

The school organized a Science fair exhibition on Saturday 12th August, 2023 under the theme “**We can creatively conserve our Enviroment**” which was extracted from the year theme; “**Creativity leads to excellence**”. We wish to register our appreciation to you dear parents for the support which was expressed in your contributions and turning up in such big numbers. Special thanks go to the Guest of Honour **Hajjat Safinah Museene Kisu** (the Commissioner Health Education Training in the Ministry of Education and Sports), for accepting to preside over the function despite her busy schedule.

We would like to recognize the classes which emerged the winners at each level as follows: Class 2D was the best at Yellow and Red level and the overall 2nd Runner-up, Class 7B was the best at the Blue level and the overall 1st Runner-up. Class 4A was the best at Green level and the overall winner. Generally, all classes performed very well and we are sure children benefited much from the project. We applaud the teachers, children and the support staff for their tireless and selfless efforts towards the success of the project and the event in particular.

3. General Issues

a. Children's Health

The general health condition of children has been good until recently when we experienced an out-break of Red eyes, mumps and measles. Since these are contagious sicknesses, some children may continue falling sick during the holidays, we request the parents whose children had not fallen sick to be observant and get ready with the remedies

b. School Fees

The school dues have remained the same; Normal Programme (half day) **1,012,500/=**, Day Care Programme (full day) **1,292,500/=** All school dues are paid in the bank before the beginning of the term. No child will be allowed in class before full payment of fees is made. Please be informed that you can only pay cash of club fees, lunch charges, late pick-up fines, extra uniforms and diaries for which payment you have to get a receipt. Post-dated cheques are not accepted by the school any more.

c. Transport

Parents with children on the Transport scheme are requested to pay the term's charges before the service is delivered. There are 50 school days in term III. The money has been calculated and indicated on the bank slip.

d. Admissions for 2024

Parents who wish to enroll their children with us for the academic year 2024 are called upon to pick, fill and return the application forms before the end of September 2023 as we expect the interviews to take place in October 2023. Please inform relatives and friends who would wish to enroll their children with us to pick the forms.

e. P.1 Admissions for 2024:

The Parents of the Blue Level whose children are ready for P.1 are reminded to visit the primary schools of their choice and apply for P.1 admissions.

f. Amazon Club:

As usual, the club will be operating during the holidays from Monday to Friday starting on Monday August 28, 2023 from 9:00am to 4:00pm, for all levels (Yellow, Red, Green, Blue and the Alumni/siblings who are below 12 yrs af age). This arrangement has two programmes namely:

1. Half day (9:00am -12:30pm) at Ugx100,000/= (includes a break meal but no lunch).
2. Full day (9:00am – 4:00pm) at UGX 160,000/= (includes break and lunch meals).

For details, please contact the Secretary on **0700678627/0789815254** or the Head Teacher on **0754087386**. However the Saturday swimming lessons are still available at UGX 5,000/= from 10:00am to 12:30pm. Interested parents are called upon to register at the front desk.

g. KKA Alumni Association

The school started an Alumni Association as a way of following up our old boys and girls. You are therefore requested to join us in the mobilization of all old boys and girls of 18 years and above to register with the school through **0700678627/0754087386/0702129916** or physically come to the school front desk and register.

h. KKA Kids Boom Week:

KKA is devoted to take lead in the nurturing of children and equipping them with key skills that will help them to live responsibly and independently in the ever changing society. The school is therefore organizing to host a skills training program which we have termed as 'KKA Kids Boom Week' for the children between 3-12 years. All children within the stipulated age will be allowed to participate. Details will be communicated in the course of term III 2023.

Next term will begin on **Wednesday September 20, 2023.**

We wish you a happy and peaceful holiday.

"We hold the future"

Nanyanzi Lucy
Head Teacher
